

Netball Coaches:

Miss C Evans
Miss I Metcalf

Since 2008 the netball club have had many enjoyable experiences competing in the East Riding of Yorkshire League. Our competitors regularly include schools from Easington, Hornsea, Bilton and Leven.

Alongside the obvious benefits of becoming competent at netball and enjoyment through exercise, the children learn other valuable skills such as team work and respect for others.

The netball club trains from September until the October half-term. We pause for a training break throughout winter due to weather conditions which prevent us from getting outside! The competitive season begins after February half-term and runs to May half-term.

The league operates under the High Five netball rules. A copy of these can be found by clicking on the following link:

http://www.Englandnetball.co.uk/The_Game/High_5

Matches are played both home and away. Our most memorable season to date is the 08-09 season, where our team won the regional league and produced a tremendous display to gain 3rd place at the finals in Drifffield.
